

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY  
REGION IX  
75 Hawthorne Street  
San Francisco, CA 94105

Date: May 9, 2019

To: U.S. Department of Homeland Security,  
Bureau of Customs and Border Protection

From: Douglas K. McDaniel, Chief, Toxics Section  
U.S. EPA, Region 9 – Enforcement and Compliance Assurance Division

Subject: Requested Action to Be Taken Regarding Pest Repellers in the Action Products  
Worldwide LLC Shipment with Entry Number SCS-43456525

By this memorandum, the U.S. Environmental Protection Agency, Region 9 (EPA) is informing the Bureau of Customs and Border Protection of the U.S. Department of Homeland Security (CBP) that the Pest Repellers from Action Products Worldwide LLC (Action Products) that are contained in the import shipment described below should be **Denied Entry-Refused Delivery** into the United States pursuant to the authority of Section 17(c) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), 7 U.S.C. § 136o(c), and the implementing regulations at 19 C.F.R. § 12.114. The Notice of Arrival of Pesticides and Devices (EPA Form 3540-1) has been amended with an identical request.

On April 17, 2019, CBP inspected the shipment of Pest Repellers from Action Products in the shipment with entry number SCS-43456525 at Price Dominguez located at 2751 E. Dominguez Street in Carson, CA, 90810. As a result, EPA has determined that the Pest Repellers cannot legally be imported into the United States.

The following information pertains to the shipment of Pest Repellers:

- The broker is UPS Supply Chain Solutions, Ocean Import Brokerage, 150-20 132<sup>nd</sup> Avenue, 2<sup>nd</sup> Floor, Jamaica, NY 11434;
- The importer is Action Products Worldwide LLC, 130 Campbell Road, Far Hills, NJ 07931 (Importer Number 83-159069700);
- The consignee is Action Products Worldwide LLC, 130 Campbell Road, Far Hills, NJ 07931;
- The shipper is Shipco Transport (Shanghai) Ltd.;
- The entry number is SCS-43456525;
- The quantity of Pest Repellers is 20 containers with a total of 3,000 pieces of Pest Repellers (HS: 8543709990), and 1 container with a total of 60 pieces of Pest Repellers (HS: 8543709991);
- The alleged EPA Establishment Number is 94466-CHN-1;

- The bill number is MATS4960666000;
- The port of entry is Los Angeles;
- The arrival date is March 31, 2019; and
- The country of origin is China.

Based on the inspection conducted on April 17, 2019, EPA determined that the labels on the boxes of Pest Repellers contained no EPA establishment numbers. Therefore, the products are misbranded as that term is defined in Section 2(q)(1)(D) of FIFRA, 7 U.S.C. § 136(q)(1)(D) because the packages do not bear the establishment numbers of the registered establishment in which the pesticide devices were produced. The distribution of misbranded pesticide devices is an unlawful act under FIFRA Section 12(a)(1)(E), 7 U.S.C. § 136j(a)(1)(E). Pesticide devices entering the United States cannot be misbranded, therefore this entry is denied pursuant to Section 17(c) of FIFRA 7 U.S.C. § 136o(c).

If you have any further questions or concerns, please contact Janice Chan at 415-972-3308 or [chan.janice@epa.gov](mailto:chan.janice@epa.gov).

Sincerely,

Douglas K. McDaniel
